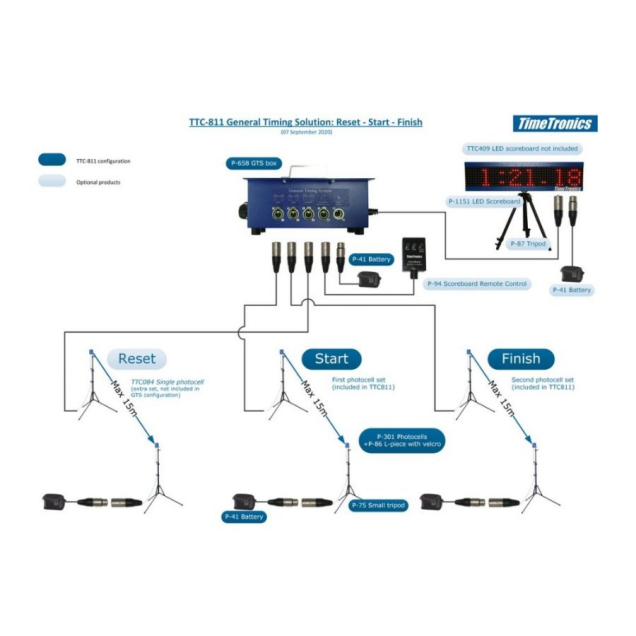
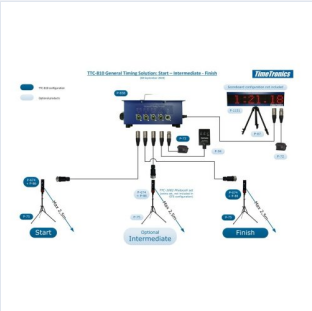
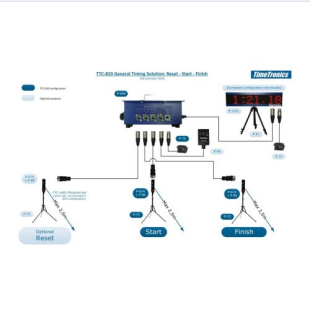
TimeTronics General Timing System (Training)

SUPPLIED BY GIMTRAC (PTY) LTD







SPECIFICATIONS

Category	Athletics, Sports Timing Equipment
Origin	Supplied by Gimtrac (Pty) Ltd

DESCRIPTION

The General Timing Solution is ideal for games, races and training in any sport.

Photocells connect to the General Timing control box, to which a standard TimeTronics timing scoreboard and scoreboard remote control are connected (optional products). The running time and result time are shown on the scoreboard.

The standard configuration has start/stop functionality and can be upgraded with an optional extra photocell set for an intermediate time or automatic reset.

TimeTronics product code: TTC-810 / TTC-811

Supplied by Gimtrac. Gimtrac (Pty) Ltd supplies, installs and supports TimeTronics timing equipment in Southern Africa. Prices on request – contact us with your venue and events and we will quote the configuration that suits you.
