Category	Rhino Rugby, Training Equipment, Springbok Training Equipment
Weight	1 kg
Origin	Supplied by Gimtrac (Pty) Ltd

DESCRIPTION

The **Rhino Heavy Duty Harness** is designed for intense training sessions, providing maximum support and durability for strength and conditioning exercises. Made from high-quality, robust materials, this harness is built to withstand heavy use, making it perfect for sled pulls, resistance training, and explosive drills. The adjustable straps ensure a secure and comfortable fit for athletes of all sizes, while the reinforced design offers optimal control and safety during high-resistance exercises. Ideal for rugby players and athletes looking to enhance their power and conditioning, the Rhino Heavy Duty Harness is a must-have for serious training.
