DESCRIPTION

The Freemans 50m measuring tape is a PVC / Pre-coated fibreglass tape comes with an internal yarn and heat-sealed markings. It has a 3 times longer life than metal-wired measuring tapes. Its weather-resistant and non-creasing characteristics make it easy to clean and easy to read. The figures, lines and the plastic coating remain unaffected by water. A damp cloth is all that is necessary to remove dirt, mud, or other stains.
